

# Final Post-election Presentation Assignments

**The Difference of the atmosphere on  
and before the Election Day**

# Media

On the election day:

there were some electronic media.

TVB news car was near the polling

--> A reporter was setting up his equipment

We couldn't find any media before election day.

# campaign volunteers

election day:

Volunteers were promoting their candidate.

> Lee York Fai's "one day tour" came back to Mei

--> Many residents complained about the "one day

Lee York Fai came out for the car accident.  
He rescued the girl from the car.

--> Lee York Fai was watching the girl get into the ambulance.

> Lee York Fai explained the situation of the car accident.  
e emphasized that he was doing the duty of doctor.

**before election day:**

**^-- Candidate No.1 supporters**

**<-- Volunteers prepared the propaganda pack for candidate No 1**

# Conclusion:

- > Media are not concern the day before election day.
- > All supporters came out for candidates on the election day.
- > Conflicts and accidents around the election day
